PART 2 ADMINISTRATION

Administration

- 2.1 This Recovery Policy will be administered by the Compensation Committee which will be empowered to, with consideration of applicable Securities Laws,
- (a) interpret and administer this Recovery Policy,
 - (b) make determinations as to whether any Incentive-Based Compensation that has been Received by the current and former Executive Officers of the Company constitutes Erroneously Awarded Incentive-Based Compensation in the event of an Accounting Restatement,
 - (c) take action to enforce on behalf of the Company any recovery of any Erroneously Awarded Incentive-Based Compensation pursuant to the provisions of this Recovery Policy, and
 - (d) make any other determinations that the Compensation Committee deems necessary or desirable to give effect to the objectives of this Recovery Policy.

Interpretations

2.2 This Recovery Policy is intended to be a “Recovery Policy” for the purposes of Nasdaq Listing Rule 5608 and will be interpreted by the Compensation Committee consistent with the SEC’s interpretation of Rule 10D-1, including the guidance of the SEC set forth in the SEC Final Release and any other applicable law, regulation, rule or interpretation of the SEC or Nasdaq promulgated or issued in connection therewith. This Recovery Policy is in addition to the requirements of Section 304 of the Sarbanes-Oxley Act of 2002 that are applicable to the Company’s chief executive officer and chief financial officer.

Compliance

2.3 The Compensation Committee may require that any employment agreement, offer letter, compensation plan, equity award agreement, or any other agreement entered into on or after the Effective Date require an Executive Officer to agree to abide by the terms of this Recovery Policy. Further, the Compensation Committee may require each Executive Officer to acknowledge this Recovery Policy through execution of the form of acknowledgement attached hereto as Appendix A (or such other form as approved from time-to-time by the Compensation Committee).

PART 3 SCOPE AND INTERPRETATION OF THIS RECOVERY POLICY

Effective Period

3.1 This Recovery Policy will be applied to all Incentive-Based Compensation that is Received by an Executive Officer on or after the Effective Date.

Scope of Executive Officers Subject to Recovery Policy

3.2 The Compensation Committee will determine from time-to-time the individuals that are deemed to be subject to the Recovery Policy by virtue of being considered an Executive Officer.

Scope of Accounting Restatements Subject to Recovery Policy

3.3 The Accounting Restatements that will trigger the obligation to recover Erroneously Awarded Incentive-Based Compensation will include any restatement of any of the financial statements of the Company filed with the SEC under the Exchange Act to correct an error in previously issued financial statements that is material to the previously issued financial statements, or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period. For clarity, Accounting Restatements include for the purposes of this Recovery Policy both:

- (a) Big “R” restatements, being restatements to correct an error material to previously issued financial statements; and
- (b) little “r” restatements, being restatements to correct errors that were not material to those previously issued financial statements but would result in a material misstatement if (i) the errors were left uncorrected in the current report or (ii) the error correction was recognized in the current period.

Determination of When Incentive-Based Compensation is Received

3.4 Incentive-Based Compensation will be deemed Received in the fiscal period during which the Financial Reporting Measure specified in the Incentive-Based Compensation award was attained, even if the payment or grant occurs after the end of that period.

PART 4

RECOVERY OF ERRONEOUSLY AWARDED INCENTIVE-BASED COMPENSATION

Recovery

4.1 In that event that the Company is required to prepare an Accounting Restatement, the Company will reasonably promptly take action to recover the amount of any Erroneously Awarded Incentive-Based Compensation that has been Received by each applicable Executive Officer:

- (a) after beginning services as an Executive Officer;
- (b) who served as Executive Officer at any time during the performance period for that Incentive-Based Compensation;
- (c) while the Company has a class of securities listed on Nasdaq (or another national securities exchange in the United States); and
- (d) during the three completed fiscal years immediately preceding the date on which the Company was required to prepare the Accounting Statement, as this three-year period is determined under Section 4.4 below.

4.2 Recovery will be required on a “*no fault*” basis, without regard to whether an Executive Officer engaged in any misconduct or whether the Executive Officer was responsible for the erroneous financial statements that led to the Accounting Restatement.

Trigger for Recovery of Erroneously Award Compensation

4.3 The date on which the Company is deemed to be required to prepare an Accounting Restatement for the purposes of determining the Recovery Period under Section 4.1 will be the earlier to occur of:

- (a) the date that the Board or a committee of the Board concludes, or reasonably should have concluded that the Company, is required to prepare an Accounting Restatement, or
- (b) the date that a court, regulator or other legally authorized body directs the Company to prepare an Accounting Restatement.

Determination of Recovery Period

4.4 The recovery period for the determination of Erroneously Awarded Incentive-Based Compensation (the “**Recovery Period**”) will be determined as the three completed fiscal years immediately preceding the date that the Company is required to prepare an Accounting Restatement, as that date is determined under Section 4.3. In the event of a change in the financial year of the Company, the Recovery Period will also include any transition period that results from a change in the Company’s fiscal year within or immediately following those three completed fiscal years, provided that a transition period between the last day of the Company’s previous fiscal year end and the first day of its new fiscal year that comprises a period of nine to 12 months would be deemed a completed fiscal year.

Scope of Incentive-Based Compensation Subject to Recovery

4.5 Recovery will be made against each current and former Executive Officer who has Received Incentive-Based Compensation during the three-year Recovery Period to the extent that such Incentive-Based Compensation is determined to be Erroneously Awarded Incentive-Based Compensation. Recovery of Incentive-Based Compensation received while an individual was serving in a non-executive capacity prior to becoming an Executive Officer is not subject to this Recovery Policy and recovery will not be required. An award of incentive-based compensation granted to an individual before the individual becomes an Executive Officer will be subject to this Recovery Policy, so long as the Incentive-Based Compensation was received by the individual at any time during the performance period after beginning service as an Executive Officer.

Determination of Amount of Erroneously Awarded Compensation

4.6 The amount of any Erroneously Awarded Incentive-Based Compensation to be recovered under Section 4.1 will be determined as follows for each applicable Executive Officer:

- (a) the amount of Incentive-Based Compensation that has been Received by the Executive Officer during the Recovery Period to which this Recovery Policy applies, less

- (b) the amount of the Incentive-Based Compensation that would have been received in respect of the Recovery Period had the Incentive-Based Compensation been determined based on the restated amount.

4.7 Erroneously Awarded Incentive-Based Compensation will include any Incentive-Based Compensation that was based on stock price or TSR to the extent that the Incentive-Based Compensation was inaccurate as a result of the Accounting Restatement. For Incentive-Based Compensation based on stock price or TSR, where the amount of Erroneously Awarded Incentive-Based Compensation is not subject to mathematical recalculation directly from the information in the Accounting Restatement:

- (a) the amount must be based on a reasonable estimate of the effect of the Accounting Restatement on the stock price or TSR upon which the Incentive-Based Compensation was received, and
- (b) the amount of the Incentive-Based Compensation that would have been received in respect of the Recovery Period had the Incentive-Based Compensation been determined based on the restated amount.

4.8 The Compensation Committee shall promptly notify each Executive Officer with a written notice containing the amount of any Erroneously Awarded Compensation and a demand for repayment or return of such compensation.

4.9 The amount of any Erroneously Awarded Incentive-Based Compensation will be computed without regard to any taxes paid by the Executive Officer.

4.10 To the extent that the Executive Officer has already reimbursed the Company for any Erroneously Awarded Compensation Received under any duplicative recovery obligations established by the Company or applicable law, it shall be appropriate for any such reimbursed amount to be credited to the amount of Erroneously Awarded Compensation that is subject to recovery under this Recovery Policy.

4.11 Notwithstanding anything in this Recovery Policy, in no event will the Company be required to award any Executive Officer an additional payment or other compensation if the Accounting Restatement would have resulted in the grant, payment or vesting of Incentive-Based Compensation that is greater than the Incentive-Based Compensation actually received by the affected Executive Officer. The recovery of Erroneously Awarded Incentive-Based Compensation is not dependent on if or when the restatement is filed.

PART 5 REPORTING

Reporting of Erroneously Award Compensation

5.1 In the event of an Accounting Restatement pursuant to which the Compensation Committee has considered whether recovery of any Erroneously Awarded Incentive-Based Compensation is required, the Compensation Committee will prepare a report to management of the Company detailing the information required to be reported by the Company with respect to such Accounting Restatement in the Form 10-K to be filed by the Company under the Exchange Act for the fiscal year in which the Accounting Restatement occurred and in any other filing required to be made by the Company under Securities Laws.

5.2 The Company's annual report on Form 10-K shall include: (i) as an exhibit the Recovery Policy in accordance with Item 601(b) of Regulation S-K; and (ii) in Part III the information required by Item 402(w)(1) of Regulation S-K. The Company shall also, if required, file an amended summary compensation table to remove the Erroneously Awarded Incentive-Based Compensation for the fiscal year in which the amount recovered was reported as compensation.

Documentation

5.3 The Compensation Committee will maintain documentation as to the determination of the amount of any Erroneously Awarded Incentive-Based Compensation, including any reasonable estimates made during the calculation process, any efforts undertaken to recover Erroneously Awarded Incentive-Based Compensation, amounts that have been recovered and amounts that remain unrecovered as of a specific date. The Company will provide this information to Nasdaq upon its request.

5.4 Without limiting the above, the Company will comply with all disclosure, documentation and records requirements relating to this Recovery Policy under Section 10D of the Exchange Act, Item 402(w) of Regulation S-K and the applicable Nasdaq listing rules and the filings required to be made by the Company under the Exchange Act.

PART 6 ENFORCEMENT OF RECOVERY

Requirement to Recover

6.1 Upon a determination by the Compensation Committee that the Company is obligated to recover Erroneously Awarded Incentive-Based Compensation under Section 4.1, the Company will take steps to recover such Erroneously Awarded Incentive-Based Compensation other than in circumstances where each of (a) and (b) below apply:

- (a) one of the following circumstances exists:
 - (i) the direct expense paid to a third party to assist in enforcing this Recovery Policy would exceed the amount to be recovered, provided that before concluding that it would be impracticable to recover any amount of Erroneously Awarded Incentive-Based Compensation based on expense of enforcement, the Company has made a reasonable attempt to recover such Erroneously Awarded Incentive-Based Compensation and documented such reasonable attempt(s) to recover (which documentation will be provided to Nasdaq at the request of Nasdaq);
 - (ii) recovery would violate the local laws applicable to a certain Executive Officer where that law was adopted prior to November 28, 2022, provided that the Company has obtained an opinion of its local counsel, in a form acceptable to Nasdaq, that recovery would result in such a violation, and such opinion is provided to Nasdaq; or
 - (iii) recovery would likely cause an otherwise tax-qualified retirement plan, under which benefits are broadly available to employees of the registrant, to fail to meet the requirements of 26 U.S.C. 401(a)(13) or 26 U.S.C. 411(a) and regulations thereunder; and

- (b) the Compensation Committee, or a majority of the independent directors of the Board, has made a determination that recovery would be impracticable.

Deferred Payment Plans

6.2 The Compensation Committee may consider the establishment of a deferred payment where recovery is required from an Executive Officer and where the deferred payment plan allows the Executive Officer to repay the Erroneously Awarded Incentive-Based Compensation as soon as possible without unreasonable economic hardship to the Executive Officer, depending on the facts and circumstances.

Recovery of Costs

6.3 If an Executive Officer fails to repay all Erroneously Awarded Incentive-Based Compensation when due, the Company will take all actions reasonable and appropriate to recover the Erroneously Awarded Incentive-Based Compensation from the Executive Officer, and in that case the Executive Officer will be required to reimburse the Company for all reasonable expenses incurred in recovering the Erroneously Awarded Incentive-Based Compensation from the Executive Officer.

Other Legal Remedies

6.4 Any right of recovery under this Recovery Policy is in addition to, and not in lieu of, any other remedies or rights of recovery that may be available to the Company under applicable law, regulation or rule, or under the terms of any similar policy or agreement in any employment agreement, offer letter, compensation plan, equity award agreement, or similar agreement and any other legal remedies available to the Company.

6.5 This Recovery Policy does not preclude the Company from taking any other action to enforce an Executive Officer's obligations to the Company or limit any other remedies that the Company may have available to it and any other actions that the Company may take, including termination of employment, institution of civil proceedings, or reporting of any misconduct to appropriate government authorities.

PART 7 PROHIBITION ON INDEMNIFICATION

Prohibition on Indemnification

7.1 The Company shall not be permitted to indemnify or insure any Executive Officer against (i) the loss of any Erroneously Awarded Compensation that is repaid, returned or recovered pursuant to the terms of this Policy, or (ii) any claims relating to the Company's enforcement of its rights under this Recovery Policy. Further, the Company shall not enter into any agreement that exempts any Incentive-Based Compensation that is granted, paid or awarded to an Executive Officer from the application of this Recovery Policy or that waives the Company's right to recovery of any Erroneously Awarded Compensation, and this Recovery Policy shall supersede any such agreement (whether entered into before, on or after the Effective Date of this Recovery Policy).

Insurance

7.2 The Company will not purchase or pay or reimburse any Executive Officer for any insurance policy to cover losses incurred by any Executive Officer under this Recovery Policy.

Other Recovery Rights

7.3 This Recovery Policy shall be binding and enforceable against all Executive Officers and, to the extent required by applicable law or guidance from the SEC or Nasdaq, their beneficiaries, heirs, executors, administrators or other legal representatives. The Compensation Committee intends that this Policy will be applied to the fullest extent required by applicable law. Any employment agreement, equity award agreement, compensatory plan or any other agreement or arrangement with an Executive Officer shall be deemed to include, as a condition to the grant of any benefit thereunder, an agreement by the Executive Officer to abide by the terms of this Recovery Policy. Any right of recovery under this Recovery Policy is in addition to, and not in lieu of, any other remedies or rights of recovery that may be available to the Company under applicable law, regulation or rule or pursuant to the terms of any policy of the Company or any provision in any employment agreement, equity award agreement, compensatory plan, agreement or other arrangement.

PART 8 AUTHORITY OF THE COMPENSATION COMMITTEE

Engagement of Professional Advisors

8.1 In addition to any authority provided under its charter, the Compensation Committee will have the authority to engage and retain independent legal counsel, independent accounting advisors and any outside professional advisor that it determines necessary to carry out its duties, at the expense of the Company, without the Board's approval and at any time, and has the authority to determine any such advisor's fees and other retention terms.

Oversight

8.2 In the event that the Company is required to recover any Erroneously Awarded Incentive-Based Compensation under this Recovery Policy, such recovery efforts will be undertaken with the supervision and oversight of the Compensation Committee.

Review

8.3 The Compensation Committee will periodically review legislative developments, regulatory initiatives, and similar matters relating to Securities Laws that may have an impact on this Recovery Policy, and report to the Board any recommendations it may have concerning the Recovery Policy.
