SECTION 7 – REGULATION FD

Item 7.01 Regulation FD

On January 7, 2021, FingerMotion, Inc. (the “**Company**”) issued a news release to announce it has qualified to trade on the OTCQX® Best Market. FingerMotion, Inc. upgraded to OTCQX from the OTCQB® Venture Market and will continue to trade under the same symbol “FNGR.”

“This move to OTCQX offers our Company greater access to the capital markets and is an essential part of our business plan,” said Martin Shen, CEO of FingerMotion, Inc. “The higher standards make us more transparent to institutional investors who rely on the more rigorous review of the Company. The liquidity on OTCQX should also provide investors more confidence to trade our securities. The higher financial standards and reporting requirements are good for management, strategic partners, and investors as it will increase our overall appeal to attract top level experience, partnerships, and investment. Our core businesses are capital intensive and could scale quickly with the appropriate capital structure.”

Investors can find current financial disclosure and Real-Time Level 2 quotes for the Company on www.otcm Markets.com.

A copy of the news release is attached as Exhibit 99.1 hereto.

About FingerMotion, Inc.

FingerMotion is an evolving technology company with a core competency in mobile payment and recharge platform solutions in China. It is one of only a few companies in China with access to wholesale rechargeable minutes from China's largest mobile phone providers that can be resold to consumers. As the user base of its primary business continues to grow, the Company is developing additional value-added technologies to market to its users. The vision of the Company is to rapidly grow the user base through organic means and have this growth develop into an ecosystem of users with high engagement rates utilizing its innovative applications. Developing a highly engaged ecosystem of users would strategically position the Company to onboard larger customer bases. FingerMotion eventually hopes to serve over 1 billion users in the China market and eventually expand the model to other regional markets.
