SECTION 7 – REGULATION FD

Item 7.01 Regulation FD Disclosure

On December 27, 2021, FingerMotion, Inc. (the “**Company**”) issued a news release to announce that the Company’s shares of common stock has been approved by The Nasdaq Stock Market LLC (“Nasdaq”) to list on the Nasdaq Capital Market.

Trading on Nasdaq will commence on Tuesday, December 28, 2021 under the current trading symbol of “FNGR”.

Martin Shen, CEO of FingerMotion, Inc., commented, “FingerMotion is very proud and excited to be joining the Nasdaq stock market as one of their newly listed technology companies. Listing on Nasdaq provides us greater exposure within the investment community as we execute on our ambitious growth strategies and key upcoming milestones, including expansion into new verticals and markets worldwide. We believe that listing on a senior stock exchange will create more value for our shareholders, allow us to expand our investor base, and provide the opportunity to gain greater visibility for our fast-growing Company within the U.S. financial community.”

A copy of the news release is attached as Exhibit 99.1 hereto.

About FingerMotion, Inc.

FingerMotion is an evolving technology company with a core competency in mobile payment and recharge platform solutions in China. It is one of only a few companies in China with access to wholesale rechargeable minutes from China’s largest mobile phone providers that can be resold to consumers. As the user base of its primary business continues to grow, the Company is developing additional value-added technologies to market to its users. The vision of the Company is to rapidly grow the user base through organic means and have this growth develop into an ecosystem of users with high engagement rates utilizing its innovative applications. Developing a highly engaged ecosystem of users would strategically position the Company to onboard larger customer bases. FingerMotion eventually hopes to serve over 1 billion users in the China market and eventually expand the model to other regional markets.
