SECTION 8 – OTHER EVENTS

Item 8.01 Other Events

On March 21, 2024, FingerMotion, Inc. (the "Company" or "FingerMotion") issued a news release to announce that the Company and its Chief Executive Officer, Martin J. Shen, received awards at the FiNext Conference, which took place February 28 and 29, 2024 in Dubai.

FiNext, a leading event for the global financial sector, recognized FingerMotion with its Excellence in Finance - Companies Award, while giving Mr. Shen the Excellence in Finance - Leaders Award, "in recognition of his contribution to the finance industry."

The FiNext Awards acknowledge the accomplishments of companies and individuals in the finance and fintech sector. According to FiNext, the Excellence in Finance – Companies Award recognizes organizations that have demonstrated "exceptional performance, innovation, and impact within the finance and fintech sector," while its Excellence in Finance – Leaders Award "highlights the exceptional individuals who have exhibited exemplary leadership, vision, and expertise within the finance and fintech realm. From CEOs and CFOs to industry influencers and thought leaders, this category acknowledges the game-changers and visionaries who have made a lasting impact on the industry." At the Conference, Mr. Shen also spoke on a panel discussing Cybersecurity, Cyber Compliance, and the Future of Money.

"I am honored and grateful to receive this award," said Mr. Shen. "And we are proud, as a company, to be recognized for our contributions to our industry. The mobile payment and Big Data sectors, we believe, are poised for an era of substantial growth, not only in China but around the world, and we anticipate that FingerMotion will play a significant role in this process."

A copy of the news release is attached as Exhibit 99.1 hereto.

FingerMotion and CEO Martin J. Shen Win Awards at the FiNext Conference

SINGAPORE / ACCESSWIRE / March 21, 2024 / FingerMotion, Inc. (NASDAQ: FNGR) (the "Company" or "FingerMotion"), a mobile data and services company, today announced that the Company and its Chief Executive Officer, Martin J. Shen, received awards at the FiNext Conference, which took place February 28 and 29, 2024 in Dubai.

FiNext, a leading event for the global financial sector, recognized FingerMotion with its Excellence in Finance - Companies Award, while giving Mr. Shen the Excellence in Finance - Leaders Award, "in recognition of his contribution to the finance industry."

The FiNext Awards acknowledge the accomplishments of companies and individuals in the finance and fintech sector. According to FiNext, the Excellence in Finance – Companies Award recognizes organizations that have demonstrated "exceptional performance, innovation, and impact within the finance and fintech sector," while its Excellence in Finance – Leaders Award "highlights the exceptional individuals who have exhibited exemplary leadership, vision, and expertise within the finance and fintech realm. From CEOs and CFOs to industry influencers and thought leaders, this category acknowledges the game-changers and visionaries who have made a lasting impact on the industry." At the Conference, Mr. Shen also spoke on a panel discussing Cybersecurity, Cyber Compliance, and the Future of Money.

"I am honored and grateful to receive this award," said Mr. Shen. "And we are proud, as a company, to be recognized for our contributions to our industry. The mobile payment and Big Data sectors, we believe, are poised for an era of substantial growth, not only in China but around the world, and we anticipate that FingerMotion will play a significant role in this process."

About FingerMotion, Inc.

FingerMotion is an evolving technology company with a core competency in mobile payment and recharge platform solutions in China. As the user base of its primary business continues to grow, the Company is developing additional value-added technologies to market to its users. The vision of the Company is to rapidly grow the user base through organic means and have this growth develop into an ecosystem of users with high engagement rates utilizing its innovative applications. Developing a highly engaged ecosystem of users would strategically position the Company to onboard larger customer bases. FingerMotion eventually hopes to serve over 1 billion users in the China market and eventually expand the model to other regional markets.

Safe Harbor Statement

Except for the statements of historical fact contained herein, the information presented in this news release constitutes "forward-looking statements" as such term is used in applicable United States securities laws. These statements relate to analysis and other information that are based on forecasts or future results, estimates of amounts not yet determinable and assumptions of management. Any other statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "estimates" or "intends", or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved) are not statements of historical fact and should be viewed as "forward-looking statements". We have based these forward-looking statements on our current expectations about future events or performance, including expected revenues. While we believe these expectations are reasonable, such forward-looking statements are inherently subject to risks and uncertainties, many of which are beyond our control. Our actual future results may differ materially from those discussed or implied in our forward-looking statements for various reasons. Factors that could contribute to such differences include, but are not limited to: international, national and local general economic and market conditions; demographic changes; the ability of the Company to sustain, manage or forecast its growth; the ability of the Company to manage its VIE contracts; the ability of the Company to maintain its relationships and licenses in China; adverse publicity; competition and changes in the Chinese telecommunications market; fluctuations and difficulty in forecasting operating results; business disruptions, such as technological failures and/or cybersecurity breaches; and the other factors discussed in the Company's periodic reports that are filed with the Securities and Exchange Commission and available on its website (http://www.sec.gov). There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements contained in this news release and in any document referred to in this news release. The forward-looking statements included in this release are made only as of the date hereof. For forward-looking statements in this news release, the Company claims the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Report Act of 1995. The Company assumes no obligation to update or supplement any forward-looking statements whether as a result of new information, future events or otherwise. This news release shall not constitute an offer to sell or the solicitation of any offer to our securities.
